*WEDDING CEREMONY
OF
Jennifer and David,*

Coronado Beach Wedding May 2007

*On behalf of Jennifer and David, we welcome you
here to Coronado Beach
for the celebration of your decision to become man
and wife.
We celebrate here today on the beautiful beaches of*

Coronado with your family, and closest friends.

We are here to celebrate the marriage of two special friends, but more than just a ceremony and a celebration, this is a significant moment of personal commitment.

The essence and body of this commitment is the taking of another person in their entirety, to share yourself as life long companions.

It is therefore a decision which one does not enter into lightly, or without great consideration

It is with great consideration and respect you come here to be joined as husband and wife.

You will today make promises to each other.. in front of your friends and family gathered here to witness this momentous occasion.

One of the happiest days of your life. A day that will bring a smile to face when you remember standing here, against the sea and wind promising to love one another forever.

From this day forward you will make a promise that brings you closer than ever before.

You will promise to love one another in sickness and in health, for better and for worse, through the good times and the times that are not so good..

*Your love for
each other will give you the strength to support one
another, and also be able
stand apart to seek your unique destinies.*

Please join hands

*David, will you take Jennifer to be your wife?
Will you commit your life to her,
embracing all joys and sorrows, all triumphs and
hardships.*

*Will you be there for her when she needs your
support.*

I will

*Jennifer will you take David to be your husband?
Will you commit your life to him, embracing all joys
and sorrows,
all triumphs and hardships.*

*Will you be there for him when he needs your
support.*

I will

Do you have rings to exchange?

The rings please

*These rings are an outward sign of the commitment
you have come here to confirm and to celebrate.*

*David as you place the ring on Jennifer's finger,
please repeat after me:*

*With this ring I thee wed, I give you this ring as a
sign of my love and faithfulness.*

*May all that see know that you have been
touched by my love.*

*Jennifer as you place the ring on David's finger,
please repeat after me:
With this ring I thee wed, I give you this ring as a
sign of my love and faithfulness.
May all that see know that you have been
touched by my love.
May you love deeply, laugh heartily,
practice patience and smile
often. May you dream together, grow, be crazy,
give, give in, and trust enough to take.
May you see many sunrises, listen to the rain, savor
special moments and rediscover
each other over and over.
May you have health, happiness
and a lifetime of rich adventure.*

*By the power vested in me by laws of the State of
California,*

*I now pronounce you husband and wife!
You may seal your vows with a kiss!
I present to you David and Jennifer
as husband and wife!*
